ARTICLE V – OF THE CREATION

We believe in the Genesis account of creation and that it is to be accepted literally, and not allegorically or figuratively; that man was created directly in God's own image and after His own likeness; that man's creation was not a matter of evolution or evolutionary change of species, or development through interminable periods of time from lower to higher forms; that all animal and vegetable life was made directly and God's established law was that they should bring forth only "after their kind." Since God created mankind into genders distinctly male and female, we believe that the only legitimate marriage is that between a man and a woman. He has commanded that no intimate sexual activity be engaged in outside of marriage. We believe that any form of homosexuality, lesbianism, bisexuality, bestiality, incest, fornication, adultery and pornography are sinful perversions of God's gift of sex. We believe that God rejects any attempt to alter one's gender by surgery or appearance.
